GK Report

February already, and it is leap year! So this year is going to drag out an extra day. Lent is beginning early also. This year February 10th is Ash Wednesday. We have a fish fry scheduled for every Friday during Lent please support the fish fry if you can. We will be cancelling Tinkers Meals during Lent so all will support the fish fry on Friday nights.

I want to thank all the volunteers that have been giving of their time. Some may not think there is enough going on but I get to see it first hand and I am humbled by the amount of volunteers that we have in our council. You all know who you are and we see more and more coming in and asking to help out. If you have not stepped up to help with an event and want to show up we can always use another hand or two. Plenty of opportunity in the next month to help out with Meals, Blood Drive, Movie Night, meetings, decorating the club, food drive, helping with the newsletter, building clean up and maintenance. We have started preparing for St. Paddy's Day and we will need

plenty of volunteers for this event. These are some things I can think of off the top of my head and I am sure there are plenty more. Any occasion that you find to come and help will be appreciated. Sometimes a new face yields a new idea. To the members that are here consistently helping, I say thank you. I hope that more members will get involved to lighten everyone's burden.

We are always looking for new members so if you have a friend that would like to join, grab an application and turn it in. If you know a member and stepped away, please see if they would reconsider and come back to the ranks.

March the 12th Friday Night 7:30 to 10:30 the Shanties Band will be performing in the club room. Fish Fry and Shanties leading up to St. Paddy's Day! Start your celebration a little early.

NEWSLETTER;

We are looking for a volunteer to take over writing copy and putting together this newsletter. Use template and input from several people and tell the printer where to put the copy. Please call Dennis at 309-825-2589 if you might be interested for more information.

The District Deputy, Dave Newmister, will have a District meeting Saturday, Feb 6th for all Council officers and any council member at the Blm K of C Hall starting at 12:30. Burgers will be available first.. This is for the 7 councils in his District

We need for all members to do their part to increase attendance at club functions. Tinkers Meal on Wednesdays and Burgers on Saturdays need to see more support or they may have to cease. Come and encourage your friends. We are open to the public for meals. Thanks

We will also have Shrimp on Feb 12th & 26th and Mar 11th & 25th. PLEASE tell us your thoughts on this, if there is enough interest we can change or do something. Let us hear from you. Patrick O'Neal
