Well my Brothers, we may have some light at the end of the tunnel with this pandemic! Hopefully a vaccine will be forthcoming. That being said, we will begin burgers on Saturday, May 30th, outdoor dining. We have several picnic tables and there is a large yard, plan a picnic to try and get back to the new normal! If you and your crew are scheduled to do burgers, please let Terry or I know if you can't (or don't want to) cook, we'll find a substitute!

I don't see us having in person meetings for a while, we will continue with zoom meetings until further notice. If you haven't let us know your email address please do so as soon as practical. Everything is still on hold , except

Saturday burgers, until we are told differently, and we will let everyone know. Since we are unable to effectively hold an election, the current officers have agreed to stay in their current positions until an election can be held. Any questions on this please let me know! Your officers have been meeting via Zoom and having virtual meetings and handling our affairs. Let's hope this summer is a better season than we've been experiencing lately. Until we meet again, be safe, strong and loving!

Your Grand Knight, Mike O'D

## "INTO THE BREACH"

In the Columbia magazine for April there is an article "Our Call To Spiritual Battle" which urges Catholic men to embrace their essential role as protectors and as defenders of the faith. In, 2017 the Knights of Columbus adopted this into a spiritual formation program, providing the text to members around the world with a study guide to encourage prayer, discussion and action. Now, the document's powerful insights are reaching even more people through a complementary new video series produced by the Knights. There are 12 episodes averaging about 12 minutes. The series which has received very positive reviews, can be viewed at [kofc.org/intothebreach](http://kofc.org/intothebreach). You should look into this soon.

## BLOOD DRIVE, May 11th

The Blood Drive , considering the Covid-19 circumstances was a HUGE success. Jan and I were very concerned about the turnout that we would get. We were allotted 50 slots for Donor Appointments but we filled them all and we had an overflow situation. Slots were increased by 4 to 54, and we had a goal of 44 units that we exceeded by 2 units. We had some rejected for LOW IRON, but we ended up with 46, declared able to donate. We feel very good about the support that this K of C Blood Drive always gets, and especially this time under these circumstances. As usual Thank You for Donating and Thanks to Dani, Charles, David, Jan and this time to Mary Margaret McHugh for their volunteering., Dennis
